

DATA SHEET

Multi-Purpose Pinching Grapple

The GR series is the ideal multi-purpose grapple for light demolition work, handling logs, sleepers, scrap rail, and other bundling and pinching applications.

Pinching applications require strength which the GR has in abundance. High strength alloy steel box construction legs create unprecedented robustness whether gripping logs, rail, or sleepers.

Capacity 0.6m²

<i>GR Series Grapple</i>		<i>GR-60</i>
Capacity		0.6m ²
Standard Weight (excluding rotator)		620kg
Jaw Opening	A	1960mm
Overall Opening	B	2080mm
Open Height	C	1200mm
Closed Height	D	1425mm
Minimum Gripping Diameter	E	650mm
Clearance	F	480mm
Width		760mm
